WORK EXPERIENCE

KEY CONCEPTS

Web Development Intern

Feb 2023 – Mar 2023

- Proficient in front-end development utilizing HTML and CSS to create responsive web interfaces. Developed backend functionalities using C# to implement business logic.

ALITA INFOTECH PVT LTD

Web Development Intern(ASP .NET MVC)

Mar 2023 – July 2023

- As an ASP .NET MVC Developer intern, I had privilege of gaining hands-on experience with the company's software products HRMS(Human Resources Management System). In this role, my primary responsibility revolved around the development and successful completion of assigned modules, working closely with senior team members. This experience not only enhanced my proficiency in ASP .NET MVC but also honed my collaborative skills within a dynamic development team environment.

PROJECTS

COMPLAINT MANAGEMENT SYSTEM

- The Complaint management system helps organizations to manage employee complaints. Implemented secure login mechanisms for administrators, staff, and customers with role-based access control. It act as a channel between employees and employers to streamline the complaint process.
